Have you heard of our parent support groups for caregivers of persons with disABILITIES? Parenting a child with physical, developmental or mental-health disABILITIES can be one of the most rewarding experiences of your life. But it also can strain your household an marriage and test your faith. Join Madonna Wojtaszek-Healy for a program designed to support couples and singleparents who have children with disABILITIES. The program has in-person meetings as well as monthly online sessions.

APRIL IS AUTISM AWARENESS MONTH

Loving God,
Bless today in special ways
all the children, adults and families
who see the world through the window of autism.
May Your Spirit burn bright in them
and all who celebrate and honor
the richness of our diversity
during this Autism Awareness month of April.
Grant us, O Lord,
the wisdom
to see your image reflected
in all of our differences,
and to recognize the unique gifts
we each have to offer.
May the doors of ministry in our Church
Continue to open wide in welcome to all of God's family.
We ask this in Jesus' holy name. Amen.
