

DECREE

IN THE NAME OF GOD. AMEN

The Diocese of Joliet has been undergoing significant changes over the past years due to changing demographics which have affected the size and economics of the Diocese. The overall population of the Diocese has decreased 17.2% in just two years, from 2,336,202 in 2020 to 1,935,465 in 2022. Whereas, its Catholic population has decreased by 20.7% in just twelve years, from 655,415 in 2010 to 520,148 in 2022. This has also had an impact on the sacramental life of the faithful in the Diocese of Joliet, influencing things such as: fewer priests and seminarians, fewer sacraments being celebrated and decreased Mass attendance.

In late July 2022, in deliberation with my Restructuring Committee regarding the vibrancy and sustainability of parishes and schools in specific geographic areas of the Diocese, a thorough process began. The following trends were discovered: the number of clergy has significantly decreased—there are 41% fewer diocesan priests as compared to 1970 and 66% fewer order priests; the number of seminarians has significantly decreased—there are 84% fewer seminarians today as compared to 1970; the ratio of active priests to parishioners in 1970 was 1:1,680, whereas in 2022 it was 1:4,816; infant Baptisms have decreased by 50.2% since 2000; First Communions have decreased by 35.6% since 2000; Confirmations have decreased by 14.1% since 2010; and Catholic marriages have decreased by 58.2% since 1990.

In the Joliet Deanery, many of the parishes were initially established for national, linguistic or ethnic groups which no longer reside in the neighborhoods where they had been founded. Today, many of these parishes are unable to financially support themselves; overall, there is a decrease in Sunday collections and the aging buildings require tremendous financial resources to be maintained. The total cost of facility needs and all other parish expenses is unsustainable when compared with the combined funds on deposit of all parishes in the Joliet Deanery.

This Decree concerns one personal parish, located in the north-western part of the city of Joliet: Holy Cross Personal Parish (established 1893), 830 Elizabeth St., Joliet, IL 60435. In the Fiscal Year 2022 the average Sunday Mass attendance was 25% and it celebrated 3 baptisms, 15 first communions, 21 confirmations, 2 marriages and 7 funerals.

With clarity and transparency, consultations occurred among the parishioners and clergy of the said parish (cf. can. 50)—two sessions were provided to the parish so that all could be heard. In these meetings, they were informed that a restructuring of the parish would occur and possible canonical scenarios were provided; they were also invited to submit alternative scenarios. Subsequently, members of the Restructuring Committee met and discussed the possible canonical scenarios. Due to the ongoing immigrant population of the Polish

community, there is a continued need for a parish to serve them. Whereas, due to the small geographical size of the area in which the Holy Cross Personal Parish resides, historical decline and the low numbers of parishioners attending Sunday Mass in the surrounding parishes, aging populations, declining parish incomes as well as the age of this parish’s building, it is fitting to make this a mission of a territorial parish so as to help sustain one another. The principal motivation for modifying this parish is a concern for souls and the good of the faithful—with our vision of *Catechesis, Evangelization, Faith into Action*, the focus is on the mission of Jesus Christ rather than on the preservation of our buildings so that our Church can continue to produce great fruit.

THEREFORE, I, The Most Reverend Ronald A. Hicks, Bishop of the Diocese of Joliet-in-Illinois, in accord with the canons 121, 127 §1 & §3, 166, 515 §2 of the Code of Canon Law (*CIC* '83), convened the Presbyteral Council of the Diocese of Joliet on January 24, 2024 at the Blanchette Catholic Center in Crest Hill Illinois. Having heard the Presbyteral Council at the same meeting, which voted unanimously in favor of all the points outlined in the proposal I, after invoking the Holy Spirit,

hereby decree the following:

1. Effective July 1, 2024, the abovementioned Holy Cross Personal Parish shall be extinguished as a diocesan personal parish and re-established as Holy Cross Personal Mission dependent upon and associated with St. Mary Nativity Parish;
2. Each and all the parishioners of the extinguished personal parish, will be members of the new Holy Cross Personal Mission;
3. The territory of the new Holy Cross Personal Mission will be part of the territory of the St. Mary Nativity Parish;
4. Subject to the intention of the founders and donors, with due regard for acquired rights, the goods and patrimonial rights of the extinguished personal parish, together with any obligations with which they may be burdened, will be those of the new Holy Cross Personal Mission;
5. The church of the extinguished Holy Cross Personal Parish will be the church of the new Holy Cross Personal Mission, retaining its own title;
6. The data compiled by the Restructuring Committee and presented to the parishes and Presbyteral Council meeting of January 24, 2024 are attached to this decree;
7. The sacramental records and other materials relevant to historical research concerning the extinguished Holy Cross Personal Parish will remain and be maintained at the Holy Cross Personal Mission campus, unless otherwise determined by the expert staff from the Archives of the Diocese of Joliet;
8. The notification of this decree shall be communicated to the pastor of Holy Cross Personal Parish as well as to the parishioners. Notification will be given through the parish bulletin (or other suitable means) and the official website of the Diocese of Joliet.

Before hierarchical recourse may be taken against this decree, a petition to reconsider or amend the decree must be sent or delivered to me within ten (10) useful days from notification of the decree (CIC '83 cc. 1734; 1735; 1737) at the Blanchette Catholic Center, 16555 Weber Rd., Crest Hill, IL 60403.
